2. ELIGIBILITY

Participation in the Parkland Legacy Cup is open to accepted teams consisting of players meeting the age limit and roster size of the specified division. Age divisions are based on birth year per US Soccer guidelines. Depending on the age group, a team using guest players may have no more than four (4) to six (6) loan/guest players.

Competitive teams, except for foreign/international teams, must be registered with a National Soccer Association affiliated with US Soccer/US Youth Soccer and must present a valid State roster. For these teams, the only acceptable proof of age will be a valid US Soccer/US Youth Soccer, State, or National registration card that includes a signature and a photograph of the player. Players on these competitive teams who do not present valid player passes will not play.

A recreational team must produce, at registration, a roster signed by an official of the club (which club must be affiliated with US Youth Soccer or some other national soccer organization) of which they are affiliated and played, listing each player, including their date of birth, and must provide, at registration, a birth certificate or state or nationally certified player pass, for each such player evidencing that player's eligibility to play on that team based on birth date.

A player may compete for only one team participating in the tournament. In the event a player is found to have been rostered to more than one team in the tournament, the second team on which the player is rostered in the tournament shall be deemed as the team that fielded an ineligible player. Any team fielding an ineligible player will be disqualified from the tournament and their tournament fee will be forfeited.

Where required by the State or National Association for which a team/player is registered, all competitive teams/players traveling from within the United States but outside the State of Florida must have a copy of their Permission to Travel Forms, approved and signed by a US Soccer or duly authorized State or National Association representative.

Foreign Teams must have written permission and verification from their Federation, indicating authorization to participate in the Tournament. Players must present passports at registration (including Canadian citizens). These teams must present a certified roster signed by an official of the Club with which they are affiliated and played, listing each player, and including their date of birth.

A. U8 - U10 age group teams will play 7v7 and roster size cannot exceed 12 players with 4 maximum guest players.
B. U11 - U12 age group teams will play 9v9 and the roster size cannot exceed 16 players. 5 maximum guest players.
C. All U13 and older age groups will play 11v11 and be limited to a 22-player roster size from which the game day roster for a given game may not exceed 18 players. U13-U18 are allowed 6 maximum guest players.

The above roster sizes are for the entirety of the tournament in that the same players must be on the maximum tournament roster for the entirety of the tournament. For U13 and older, the game day roster of 18 players may change from game to game, but the players on the overall tournament roster of 22 players may not change. Players may not be listed on more than one tournament roster for the tournament. Rosters must be approved by the tournament, and only approved rosters may be used as game rosters. Once a team begins to play in the tournament, their roster is frozen for the duration of the event. Teams applying to "play up" an age group must be approved by the Tournament Committee.

Each team will be awarded three (3) points for a win, one (1) point for a tie, and zero (0) points for a loss. At the end of the preliminary rounds, if the division winner determines the finalists for a particular age group and bracket, the division winner will be the team with the most points in their division. The best of five penalty kicks taken alternately by each team will determine the winner. Only those players on the field at the end of regulation time of the playoff game may compete. If the penalty kick score is tied at the end of the five kicks, the teams will continue to take penalty kicks alternately until there is a winner. All players on the field must kick before any player may kick a second time.

    2. If the score at the time of the suspension is tied, or any Final game has not started, and a Champion and Finalist need to be determined, the tournament will revert to final group standings based on three (3) points for a win, one (1) point for a tie and zero (0) points for a loss.
